### INVITATION

Dear Colleague,

It is our pleasure to invite you to participate in the nine annual meeting of the **International Congress on Domestic Animal Breeding, Genetics and Husbandry - 2025 (ICABGEH-25)**, which is to be in September 02 - 04, 2025 in **Szeged (Hódmezővásárhely), HUNGARY**. The mission of ICABGEH-25 is to provide a platform for researchers, academicians as well as other professionals from all over the world to present their research results in animal science (animal breeding, genetics, husbandry, nutrition) and related topics (veterinary science, aquaculture and laboratory animal). This conference provides opportunities for the delegates to exchange new ideas and experiences, to establish business or research relations, and to find partners for future collaboration. We welcome paper submissions and prospective authors are invited to submit original research or review.
