**2<sup>nd</sup> INTERNATIONAL MARINE & FRESHWATER SCIENCES SYMPOSIUM**  
**(MARFRESH2020)**

**September 02-05, 2020 — Şanlıurfa-Turkey**

**Dear Colleagues,**

It is a great pleasure to invite you to the "**2<sup>nd</sup> International Marine & Freshwater Sciences Symposium (Marfresh2020)**", which will be held on 02-05 September 2020 in Şanlıurfa- Turkey, with the academic contributions of Harran University, Iranian Society of Ichthyology, Palas Academic and, contributions of Haliliye Municipality and Tunç Alabalık. We would be highly delighted with your participation. We would also be thankful if you could inform your colleagues about the symposium and encourage them for the participation.

Please note that an author can submit and present maximum 2 papers for the Symposium. There is no extra cost for second paper by same author. All contributions will be reviewed by the Scientific Committee and they reserve the right to decide form of presentation (oral/poster) in case of scope of the presentation or timing.

Deadline for the submission of the presentation is 1 August 2020. Articles of accepted presentations will be published free of charge in an e-proceedings of symposium proceedings or in **Acta Biologica Turcica, FishTaxa** and **Ecologica Montenegrina** (charge a fee) a journal supporting the symposium, according to the choose of the author(s). Also, Registration for the symposium is obligatory. Detailed information can be obtained through the web site of the symposium; <https://marfresh2020.palasacademic.com/>

**Marfresh2020 symposium online registration includes the following digital materials and services:**

**e-certificates [for Authors: Certificate of Attendance and Presentation; for Listeners: Certificate of Attendance; for Chairs: Certificate of Attendance]**

**e-program**

**e-book**

**e-name badge**

**receipt**

**e-presentation**

As the organizing committee, we would be honoured and very pleased to see all who are interested in Marine & Freshwater sciences from related institutes, universities, ministries and non-governmental organizations.

Thank you for your interest in advance.

Kind Regards,

**Dr. Muhammed Yaşar DÖRTBUDAK**

### Symposium Topics

Biodiversity, Conservation & Environmental Protection in Aquatic Resources
Integrated Management of Coastal Zone – Transitional Water Ecosystems & River Basins
3E (Endemic, Exotic & Endangered) Species
Aquaculture
Fish diseases
Genetics & Population Genomics: from Genes to Ecosystem
Fisheries, Environmental Impacts, Monitoring & Management
Processing, Economics & Marketing of Fisheries Products
Climate Changes in Aquatic Ecosystems
Sea Level Rise Water Acidification & Hypoxia
Oceanography & Water Pollution
Marine/Inlandwater Biology & Ecology
Biogeochemical Cycles in Aquatic Ecosystems
Marine Protected areas
Environmental Education & Awareness
Waste Water Management
Ports and Maritime Transportation
Sea Pollution and Prevention
Petroleum and Energy
Anthropological Studies
Effects of Agricultural Activities
Tourism and Gastronomy

**Official Symposium language:**

The official Symposium language will be English.
